Winter's my favourite season. In summer it's too hot to enjoy outdoor activities. But in winter the temperature is really mild and pleasant – perfect for walks and picnics in the desert, or in the city's beautiful parks. Also, the sea's wonderful in the winter. I'm not keen on swimming in the sea in the summer. The water's too warm and there are sea snakes and other nasty animals. In winter it's safer and fresher. My favourite winter activity is fishing. I really love catching fish in the sea and then cooking them on a barbecue on the beach.

Marek from Alberta

I love autumn, when the days are sunny but cool. I'm really interested in photography and autumn's a great time for that as the leaves are a beautiful golden colour. In late autumn we get our first snowfalls and the snow looks amazing against the bright blue skies. Also, I'm really into watching ice hockey and autumn is when the new ice hockey season starts. The only problem with autumn is that it comes before winter, and our winters are so long and cold. I don't mind cold weather, but when the temperature goes down to 35 below zero, well, that's another story!!

Gina from Rio de Janeiro

My favourite season here in Rio is summer. I'm an English teacher, so I have long summer holidays when I can relax and spend time with my children. To be honest, I prefer spring weather to summer weather. Summers here are extremely hot and humid. We get a lot of thunderstorms then too, but actually I quite like watching storms. Another thing I love is New Year's Eve, which of course is in the middle of summer here. There's an amazing firework display on the beach. I don't go down there because I can't stand large crowds, but we have a great view from our apartment.
